Appendix – List of 2011-2012 Bills

ABANDONED VEHICLES, PARKING, TOWING

AB 476 (**Lowenthal**) Would have addressed requirements with respect to the impoundment and release of impounded tow trucks. **Died in the Assembly Transportation Committee.**

AB 1041 (Ma) Extends the authority of the City and County of San Francisco to use automated video cameras on public transit vehicles to enforce transit lane parking violations until January 1, 2016. Expands the program to any transit lane within the city, and removes the prohibition on wireless transmission of video images. **Chapter 325, Statutes of 2011.**

AB 1298 (**Blumenfield**) Expands the ability of local governments to regulate advertising on non-motorized vehicles and allows local governments to regulate specified advertising signs on motor vehicles parked or left standing upon a public street. **Chapter 538, Statutes of 2011.**

AB 1520 (Mendoza) Would have expanded the definition of "mobile billboard advertising display" to include an advertising display that is attached to any registered vehicle and is for the summary purpose of advertising. **Died in Assembly Local Government.**

AB 1993 (**Ma**) Would have prohibited a peace officer from impounding a vehicle driven by a person who does not have a valid driver's license but whose license is not suspended or revoked. **Failed passage in the Senate Transportation and Housing Committee.**

AB 2366 (Eng) Would have increased the cost of a fix-it ticket issued on a parking ticket from \$10 to \$25. **Vetoed by Governor.**

AB 2583 (Blumenfield) Requires the DGS and Calrans to develop and implement advanced technology vehicle parking incentive programs in specified DGS- and Caltrans-operated parking facilities to incentivize the purchase and use of AFVs in the state. **Chapter 676, Statutes of 2012.**

SB 1388 (DeSaulnier) Establishes a general rule that a vehicle owner may park, without penalty, in any parking space for up to the posted time limit if the parking meter or parking payment center is inoperable, but allows a city or county to adopt a different rule if it provides adequate notice of the rule at parking locations, parking meters, or parking payment centers. **Chapter 70, Statutes of 2012.**

AIR QUALITY

AB 462 (**Lowenthal**) Allows air pollution control districts and air quality management districts to use vehicle registration surcharge revenues to replace natural gas fuel tanks and to enhance natural gas fueling dispensers. **Chapter 216, Statutes of 2011.**

AB 470 (**Halderman**) Allows air pollution control districts and air quality management districts to use revenue received from a surcharge on motor vehicle registrations within their jurisdictions to fund the retrofit of school bus emission equipment pursuant to the lower-emission school bus program. **Chapter 174, Statutes of 2011.**

AB 474 (Jones) Would have extended from 90 to 180 days the duration that a certificate of compliance or certificate of noncompliance, related to motor vehicle emission inspections, is valid. **Failed passage in the Assembly Transportation Committee.**

AB 475 (Butler) Allows any vehicle that is connected for electric charging purposes to park in a garage space designated for charging and eliminates the zero-emission vehicle decal program. **Chapter 274, Statutes of 2011.**

AB 523 (Valadao) Prohibits the CEC, beginning on July 1, 2013, from funding corn ethanol production projects under its Alternative and Renewable Fuels and Vehicle Technology Program. **Chapter 183, Statutes of 2012.**

AB 768 (Gatto) As considered by the Committee, this bill would have required the ARB to allow an out-of-state producer of biomethane to generate low-carbon fuel standard credits through the sale of biomethane distributed to California consumers through gas swaps if the producer could demonstrate a physical pathway to California through the use of pipelines. The bill was subsequently amended to preclude a local statute from prohibiting or restricting the practice of male circumcision. **Chapter 398, Statutes of 2011.**

AB 937 (Mendoza) Would have authorized a vessel at berth or at anchor in the jurisdiction of a California port to use any method to reduce emissions that has been satisfactorily demonstrated to the ARB to reduce emissions to the level that would be achieved by using shore power. **Died in the Assembly Appropriations Committee.**

AB 1064 (**Furutani**) Would have allowed for the use of Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006 funds for shoreside electrical power infrastructure projects administered by a California port as long as individual segments of the project are part of an adopted terminal plan. **Died in the Assembly Transportation Committee.**

AB 1608 (Wieckowski) Incentivizes the purchase of ZEVs manufactured in California by increasing buyer rebates by 20% over rebates for similar vehicles manufactured outside of California. **Died in the Assembly Appropriations Committee.**

- **AB 1613 (Donnelly)** Would have deleted the requirement for a certificate of compliance or a certificate of noncompliance with respect to smog certification upon any transfer of ownership of a motor vehicle prior to the issuance of a vehicle registration by the DMV. **Failed passage in the Assembly Transportation Committee.**
- **AB 1922 (Lara)** Requires heavy-duty diesel truck fleets to comply with ARB regulations and standards on or before December 31 for each calendar year. **Chapter 242, Statutes of 2012.**
- **AB 2412 (Swanson)** Would have-required the ARB to submit to the appropriate committees of the Legislature an annual report to evaluate the implementation of the Air Quality Improvement Program, as specified. **Died in the Assembly Transportation Committee**.
- **AB 2450 (Hall)** Would have required the PUC to allocate \$15 million to fund clean vehicle rebates. **Died in the Assembly Appropriations Committee.**
- **AB 2024 (Mendoza)** Would have stated the intent of the Legislature that the ARB establish a special definition of "low-use vehicle" pertaining to tax-exempt churches and religious organizations and defined "affected vehicle" to include diesel-fueled school buses, among other vehicles as specified. **Died in the Assembly Appropriations Committee.**
- **AB 2289 (Jeffries)** Would have revised the procedures for registering specially constructed vehicles and pick-ups. **Died in the Senate Transportation and Housing Committee.**
- **SB 234 (Hancock)** Would have required the ARB to disburse eligible funds from the Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006 for projects that provide shorepower for vessels to applicants on a quarterly basis, and also authorized ARB to withhold 10% of reimbursable costs until the project demonstrates its ability to power a vessel at berth. **Vetoed by the Governor.**
- **SB 570** (**Rubio**) Repeals the requirement that the San Joaquin Valley Unified Air Pollution Control District administer a high polluter vehicle replacement program and instead requires the District to administer a voluntary program to replace or retrofit high-emitting school buses within its jurisdiction. **Chapter 494, Statutes of 2011.**
- **SB 582** (Yee) Would have authorized, until January 1, 2017, a metropolitan planning organization and an air district to jointly adopt an ordinance that requires certain employers located within their common area of jurisdiction to offer their employees specified commute benefits with the goal of reducing single-occupant vehicle trips. **Vetoed by the Governor.**
- **SB 724 (Dutton)** Would have required the ARB, within 30 working days after receipt of an application for certification of a new, carryover, or partial carryover on-road or off-road vehicle, engine, or equipment family, to inform the applicant, in writing, either that the application is complete and accepted for filing, or that the application is deficient, identifying the specific information required to make the application complete. **Vetoed by the Governor.**
- **SB 739** (Lowenthal) Requires the Ports of Los Angeles, Long Beach, and Oakland, beginning January 1, 2012, to assess their infrastructure and air quality improvement needs. **Chapter 427**, **Statutes of 2011.**
- **SB 901 (Steinberg)** As considered by the Committee, the bill would have changed the name of the Enhanced Fleet Modernization Program to the Vehicle Retirement Program and prioritized

expenditures from the program for the highest polluting vehicles registered in air basins that are out of attainment with federal air quality standards. The bill was later amended to address taxation of undocumented immigrants. **Died on the Senate Floor.**

SB 1339 (Yee) Authorizes, until January 1, 2017, a pilot program in the San Francisco Bay Area that allows the MTC and the BAAQMD to jointly adopt an ordinance requiring certain employers to offer their employees specified commute benefits. **Chapter 871, Statutes of 2012.**

SB 1455 (**Kehoe**) Would have extended until December 1, 2023, various fees and surcharges related to the clean air, fuel, tire recycling, and vehicle programs of the ARB, the CEC, the CalRecycle, and the BAR. Would have prohibited ARB from moving forward with implementation of the Clean Fuels Outlet regulation, and instead directed funds from the Alternative and Renewable Fuel and Vehicle Technology Fund for the construction and operation of a hydrogen fueling network in California. Would have required the CEC and ARB to report on the status of the state's alternative transportation fuel use in the Integrated Energy Policy Report. **Died on the Senate Floor.**

BUS SAFETY

AB 607 (Brownley) Authorizes the City of Santa Monica's bus transit system to establish a demonstration program to equip the sides of its buses with electronic signs displaying advertising. **Chapter 529, Statutes of 2011.**

DRIVER LICENSING

AB 82 (Jeffries) Requires a person who operates firefighting equipment to obtain either a Class A or B license as appropriate for the size and configuration of the firefighting equipment or a Class C license, a restricted Class A license, or a noncommercial Class B license with a firefighter endorsement. **Chapter 92, Statutes of 2011.**

AB 353 (Cedillo) Prohibits the impoundment of a vehicle stopped at a sobriety checkpoint if the driver's sole offense is the failure to be properly licensed. Chapter 653, Statutes of 2011.

AB 390 (**Portantino**) Would have required DMV to provide the holder of an identification card with a written notice of the expiration date of the card no less than 60 days prior to the expiration date. **Vetoed by the Governor.**

AB 693 (Huffman) Extends authorization for the Sonoma County Regional Climate Protection Authority from 2016 to 2020. **Chapter 599, Statutes of 2012.**

AB 885 (Cook) Would have required DMV to include identifying information on the driver's licenses of sex offenders. Failed passage in the Assembly Transportation Committee.

AB 1104 (Pan) Would have required driver's license revocations for specified DUI offenses to be delayed until offenders are released from prison or county jail. **Died in the Assembly Appropriations Committee.**

AB 1202 (**Jeffries**) Would have required DMV to provide a discount to a person who, when applying for or renewing his or her driver's license or identification card, enrolls in the Donate Life California Organ and Tissue Donor Registry, pending funding for the discount from the federal government. **Died in the Assembly Appropriations Committee.**

AB 1567 (Jeffries) Eliminates the requirement to submit a report of medical examination to qualify for a firefighter endorsement on one's driver's license, and instead requires the submission of self-reported medical information upon application for the endorsement and every two years thereafter. **Chapter 111, Statutes of 2012.**

AB 1577 (**Atkins**) Would have authorized the Department of Corrections and Rehabilitation or county jails to provide an offender with a parolee identification card and would have required the DMV to honor that card as a valid source of identification for the purposes of applying for a driver's license or an identification card. **Died in the Assembly Public Safety Committee.**

AB 1725 (Lowenthal) Would have required DMV to offer a driver's license with a symbol indicating the licensee is a military veteran. **Died in the Assembly Appropriations Committee.**

AB 1888 (Gatto) Permits a commercial driver's license holder to attend TVS if the person commits a traffic offense while driving a non-commercial vehicle. **Chapter 302, Statutes of 2012.**

AB 1996 (**Huber**) Would have authorized a person whose driving record has been assessed a point due to a traffic accident to request an administrative hearing with DMV within one year of the assessment in order to contest the violation. **Failed passage in the Assembly Transportation Committee.**

AB 2061 (Norby) Would have allowed provisional licensees to transport, without adult supervision, non-family members for essential educational activities. **Failed passage in the Assembly Transportation Committee.**

AB 2098 (Jones) Would have required 18- and 19-year old driver's license applicants to complete driver education and training. **Failed passage in the Assembly Transportation Committee.**
